Introducing EQUENZA: premium natural spring water for [Company Name]

BODY

Hi [First Name],

I'm [Your Name], founder of EQUENZA, a premium natural spring water brand built around purity, freshness and quiet elegance. I'm reaching out because [Company Name] [serves a premium audience / is known for quality hospitality / curates standout products], and I think EQUENZA could be a strong fit.

What makes EQUENZA different is that it is designed to feel like a premium object, not a commodity pack:

- **Nature-led identity:** glacier blue, deep ocean blue and silver, inspired by alpine sources.
- **Premium glass bottle concept** with a clean, elegant label, plus a plastic range where it suits the product mix.
- **One consistent look** across shelf, social and digital, so the brand is instantly recognisable.
- **Built for premium channels:** hotels, restaurants, gyms, retailers and design-conscious consumers.

I've attached our brand deck, which covers the positioning, packaging concepts and launch plan. Please note the packaging shown is a proposed mockup, not final production.

Would you be open to a 15-minute call this week or next to see if there is a fit? Happy to work around your schedule.

Warm regards,
[Your Name]

Hi [First Name],

Just following up on my note from last week about EQUENZA, in case it got buried in your inbox.

In short: we're launching a premium natural spring water brand with a distinctive alpine-inspired identity, and we're looking to partner with a few selective [hotels / retailers / venues] at launch. I'd love to hear whether [Company Name] might be interested.

If it's easier, I can send a short product overview or arrange a sample once the launch plan is ready. And if now isn't the right time, or I've reached the wrong person, just let me know and I'll happily stop here.

Would a quick 15-minute call work sometime this week?

Best regards,
[Your Name]
